**2. VACANCY UNIVERSITY OF AMSTERDAM**

The Faculty of Economics and Econometrics (FEE) of the University of Amsterdam (UvA) invites applications for the position of

Assistant/Associate Professor of Macroeconomics f/m  
20079/V

The Department of Economics:

The successful candidate will become a member of the Department of Economics, which is part of the Faculty of Economics and Econometrics. The Faculty is located in downtown Amsterdam. It offers a dynamic academic environment with connections to leading research centres in Europe and the U.S.

The Research Group in Macroeconomics and Transition Economics:

The Department has recently established a new research program in Macroeconomics and Transition Economics, entitled "The Transformation of Europe". The program is divided into five themes: (1) monetary and fiscal policy, and their interactions, with special reference to European Monetary Union, (2) financial intermediation and its macroeconomic consequences, (3) exchange rate behaviour and international capital movements, (4) the economics of transition and (5) the economic consequences of population ageing. The Group is formed by a number of internationally active researchers, who contribute regularly to the international literature and who are active in (inter)national debates.

Requirements and tasks:

We welcome applications from candidates working in all areas of Macroeconomics. Candidates for this position should hold a Ph.D in economics. They must have a strong commitment to academic research and teaching and must be willing to contribute to the expanding activities of the Research Group.

Our offer:

The appointment will be a full-time position, with a possibility for tenure. The salary will be based on qualifications and experience.

**INFORMATION:**

about the position: Professor R. Beetsma,  
phone +31.20.5255280, fax +31.20.5254254, e-mail: beetsma@fee.uva.nl.
