We are asking NAKE students who would like to participate to register as soon as possible through our website: www.nake.nl. (The registration deadline is November 17, 2003). Note that participation is also possible if you are not a NAKE student.

You can find more information at our website or you can contact the NAKE secretariat (phone: (+31)-13-466-2516 and e-mail: nake@uvt.nl).

- 2. TENURE TRACK ASSISTANT PROFESSORSHIPS, TILBURG UNIVERSITY

Center, the research institute of the Faculty of Economics of Business Administration of Tilburg University has positions available for

Tenure Track Assistant Professorships in Economics and Finance
(vac. nr. 300.2003.13)

The assistant professorships concern tenure track positions for six years and offer ample opportunities to do research as they carry a light teaching load (approximately one course per semester on average). An assistant professor is appointed at a department in the Faculty of Economics and Business Administration and also member of Center. After five years a tenure decision is made. We offer competitive European salaries. For researchers from outside the Netherlands there exists the possibility of applying for a tax-free allowance equal to 30 percent

of their taxable salary. The university will apply for such a tax treatment. CentER and the department will provide assistance in finding suitable accommodation. Relocation costs are covered up to a maximum of € 9,600.

For the academic year 2004/2005 approximately five assistant professorships are available.

CentER is the research institute of the Faculty of Economics and Business Administration of Tilburg University. More information about CentER can be found at: www.center.nl, where you find links to the Faculty and University as well.

Applications should be received not later than November 22, 2003. They should include a curriculum vitae, copies of some written work, and, if applicable, teaching evaluations. CentER has organized its research into several groups (econometrics, macro, micro, and finance). Please indicate in your letter by which group you would like your application to be processed.

Two referees should send two letters of reference, appraising the applicant's research potential, by the same date. Interviews with the most promising candidates will be scheduled at the Allied Social Science meetings in San Diego from January 3-5, 2004. For those candidates not attending the ASSA meetings, the interview will be at any other mutually agreeable time and location.

Applications should be sent to Mrs. J. Schellekens-Bakhuis, secretary of the application committee, room B 303, Faculty of Economics and Business Administration, Tilburg University, PO Box 90153, 5000 LE Tilburg, The Netherlands.

For further questions you can contact us via telephone: +31-13-4662019, telefax: +31-13-4663042 or email: centerz@TilburgUniversity.nl.
