

Spring Meeting of Young Economists

14- 16 April 2011 - University of Groningen, the Netherlands

Call for Papers – deadline 1 December 2010

The conference is intended for young researchers (e.g., Ph.D. Students, Post-doctoral Researchers, Assistant Professors, etc.) who are active in the field of Economics. The conference covers any topic – theoretical and empirical - that fits into the JEL classification code system.

The aim of this largest young economists' annual gathering in Europe is to provide a platform for researchers to present their work, to interact, and to share ideas directly and indirectly related to their research topics and projects.

We invite young scholars to submit an extended abstract of maximum 7500 characters before 1 December 2010. Please submit your contribution online through the website www.smye2011.org. Abstracts will be selected on the basis of a double blind reviewing process.
