Job Title

Assistant Professor Economics / Wageningen University

Job Advert Details

Job Description

As Assistant Professor you are responsible for the organisation, implementation and coordination of research and teaching activities in the field of Agricultural and Regional Economics and Policy. You will be given the chance to develop your own research line and achieve a leading international position in this field. You will also be teaching and advising students. A specific part of the teaching involves teaching micro economics both at an introductory and advanced level. Wageningen University provides training and coaching to further develop your skills.

Requirements

As Assistant Professor you are an ambitious and enthusiastic economist and team player, devoted to research and teaching.

You have:

- A PhD in economics;
- Expertise in conducting research and experience in publishing in international journals;
- Excellent communication skills;
- Enthusiasm for teaching and working with students;
- The ability to teach micro economics both at an introductory and advanced level.

Expertise in acquisition of research funds, teaching experience and fluency in Dutch are desirable.

Conditions of employment

We offer you a challenging career trajectory called Tenure Track. From the position of Assistant Professor you can grow into the position of a Professor holding a Personal Chair. Training and coaching are provided. You have the freedom to build your own research line in the broad domain of agricultural and regional economics. Interdisciplinary and international cooperation is stimulated.

We offer you a temporary contract for 38 hours per week, which can lead to a permanent employment contract. Gross Salary: from € 3195,00 to € 4374,00, based on full time employment and dependent on expertise and experience.

The preferred starting date will be January 1, 2012.

We would like to receive your **online** application with motivation letter and curriculum vitae **before October 9, 2011**. To apply for this vacancy see: <http://www.wur.nl/UK/work/Vacancies+New/>.

More information about the vacancy can be obtained from dr. J.H.M. Peerlings, (jack.peerlings@wur.nl). *Please do not use this email address to apply for this position.*

The organization

Wageningen University and Research Centre

Delivering a substantial contribution to the quality of life. That's our focus – each and every day. Within our domain, healthy food and living environment, we search for answers to issues affecting society – such as sustainable food production, climate change and alternative energy. Of course, we don't do this alone. Every day, 6,500 people work on 'the quality of life', turning ideas into reality, on a global scale.

Could you be one of these people? We give you the space you need.
